Avery Dennison Fastening Solutions from Start to Finish.

At Avery Dennison, we don't just make fasteners – we solve fastening problems. With more than 30 years of experience in product design and injection and extrusion molding, we can tailor cable tie solutions to a wide range of specific applications. Whether you need custom-molded automotive cable ties,* or an application specific fastening system for the appliance industry, our experts coordinate the design, production and on-time delivery to your exact specifications.

And we've got a full line of fasteners and fastening systems including everything from cable ties and mounts to accessory clips and ergonomic installation tools.

Maximize Your Efficiencies.

By developing application specific product lines like our family of Fir Tree and Weld Stud Cable Ties, Avery Dennison takes an active role in maximizing your operating efficiencies by lowering your installation cost. Imagine replacing a nut, bolt and washer or a tape-fastening device with a single fastener designed just for your specific job.

Additionally, we can coordinate engineering support to lend expert, hands-on assistance and application know-how to meet your performance needs.

Save Time. Save Money. Start Now!

If you have a fastening challenge or just want a more efficient way to solve an old fastening problem, talk to our experts. They'll help you get up and running with fastening solutions including everything from harnessing wire to hoses – to meet your most challenging conditions and rigorous standards.

We have the parts, the systems and the know-how to save you time and money.

*Avery Dennison was one of the first cable tie manufacturers in the industry to be certified to QS-9000 standards, now upgraded to TS-16949, in addition to having earned the prestigious Q1 certification from Ford and self-certification status from Daimlerchrysler.®

Retail Information Services

All statements, technical information and recommendations about Avery Dennison products are based upon tests believed to be reliable but do not constitute a guarantee or warranty. All Avery Dennison products are sold with the understanding that Purchaser has independently determined the suitability of such products for its purposes. Avery Dennison products are warranted to be free from defects in material and workmanship for either 90 days (or the period stated on the specific product information literature in effect at time of delivery, if longer) from date of shipment. It is expressly agreed and understood that Avery Dennison's sole obligation and Purchaser's exclusive remedy under this warranty, under any other warranty, express or implied, or otherwise, shall be limited to repair or replacement of defective product without charge at Avery Dennison's plant or at the location of product (at Avery Dennison's election), or in the event replacement or repairs is not commercially practical, to Avery Dennison's issuing Purchaser a credit reasonable in light of the defect in the product.

Avery Dennison's liability for defective products shall not exceed the purchase price paid by Purchaser and in no event shall Avery Dennison be responsible for any incidental or consequential damages whether foreseeable or not, caused by defects in such product, whether such damage occurs or is discovered before or after replacement or credit, and whether or not such damage is caused by Avery Dennison's negligence.

NO EXPRESS WARRANTIES AND NO IMPLIED WARRANTIES, WHETHER OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR USE, OR OTHERWISE (EXCEPT AS TO TITLE), OTHER THAN THOSE EXPRESSLY SET FORTH ABOVE WHICH ARE MADE EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, SHALL APPLY TO PRODUCTS SOLD BY AVERY DENNISON. AVERY DENNISON SPECIFICALLY DISCLAIMS AND EXCLUDES ALL OTHER SUCH WARRANTIES. NO WAIVER, ALTERATION, ADDITION OR MODIFICATION OF THE FOREGOING CONDITIONS SHALL BE VALID UNLESS MADE IN WRITING AND MANUALLY SIGNED BY AN OFFICER OF AVERY DENNISON.
